A Message From Cooper Arnold

CCO, Chief Canine Officer

Ever since we received the Chewy tractor trailer filled 24 pallets of pet food, my Mom and I have been staying busy with making donations to feed dogs and cats in need. We have expanded the partnerships here in New Hanover County and have expanded to Pender County, Brunswick County and Onslow County!

We are so very grateful that we were able to ship over four pallets of pet food and supplies to help pets in Ukraine. Donations were shipped to Poland, where they will be provided for families fleeing Ukraine with their pets and to the many pets, because of the war, have become homeless. Donations are helping those in desperate need.

Thank you to the generous donation of a donor in Nova Scotia and many other local donors, supporters and volunteers for your support to help feed my fellow dogs and cats who are in desperate need. Our Pet Food Bank is feeding homeless dogs and cats and helping to keep families and pets together. Thank you for all of our supporters—none of this would be possible without you!
