A Very Special Thank You!

It's the most wonderful time of the year and we want to take a moment to express our heartfelt thanks to our incredible community of donors, sponsors and volunteers who selflessly give their time and resources - we could not do this without you! Your love and kindness towards animals is truly inspiring and we are pawsitively grateful to have you on our team.

Together, we are making a real difference in the lives of so many animals! So as we gather around the tree and exchange gifts with loved ones, let's remember one of the greatest gifts: helping those in need and the love and companionship of our furry friends. Let's continue to make pet adoption the only option this Christmas and beyond!

Honoring Bill Logan

It is with heavy hearts that we announce the sad news that Bill Logan, husband of Dianne Logan,

our Pet Food Bank Manager, has passed away. He and Dianne helped deliver five pallets of pet food that we shipped to help pets in war-torn Ukraine. They have both helped in numerous ways to help feed hungry pets in our community and beyond through our Pet Food Bank.

In lieu of flowers, Dianne is requesting for donations in Bill's memory to Heidi's Hope for Homeless Animals' Pet Food Bank. Dianne helps us with our regular pet food distributions and Bill has always been instrumental in helping in distributions, as well as picking up and delivering pet food to our coalition of partners.

We are very grateful to Dianne and all of the generous donors who are honoring Bill by feeding many hungry pets in desperate need!

Cooper Cares about Homeless Animals

It's Christmas season, we want to take a moment to express our gratitude for your unwavering support to help homeless and hungry pets in need. This year, with your help, we have been able to make a substantial difference in the lives of countless animals. We believe that every animal deserves a warm bed, a full belly, and a loving family, and we won't stop until we achieve this goal.

This Christmas season, many people may be considering adding a furry friend to their family. While designer dogs may be tempting, please consider the countless dogs and cats who are waiting for their forever homes in shelters and rescue groups. By adopting a shelter pet, you give them a chance to find a loving family. Rescued does not mean damaged, it means they have been let down by humans. These animals have often spent months in shelters, waiting for the chance to be adopted, and they deserve a chance to live a happy life with a loving family.

(Continued)

So, this Christmas and beyond, please consider giving the gift of a forever home to a shelter pet in need.

As many of you know, Cooper was a rescue dog who spent his life helping fellow animals in need. We aim to continue his legacy by providing a helping paw to our furry friends in need. We look forward to the positive impact that *Cooper Cares* will have on animals in need.

As we celebrate the spirit of Christmas, we are reminded of the importance of compassion and kindness towards all living creatures. It is because of your generosity that we are able to continue our lifesaving work, and we are truly grateful for your continued support. Most of all, so are the animals whose lives have been saved and fed thanks to your support!

We wish you and your loved ones a Merry Christmas and a Happy New Year!
